

CYBER MOUNTAIN COLORADO SPRINGS

PROTECTING AMERICA'S ACCESS TO SPACE

HYBRID FIRST FRIDAY CYBERSECURITY SOCIAL & MIXER FOR MAY!

JOIN THE COLORADO SPRINGS CYBERSECURITY COMMUNITY FOR SOCIALIZING & NETWORKING

Connect with local cybersecurity professionals for a casual gathering the "First Friday" of every month beginning at 4 p.m. Join cyber peers to share information and learn about the growing cybersecurity ecosystem in Colorado Springs. No cost to attend.

Our special guest this month will Aikta Marcoulier, Executive Director of the Pikes Peak SBDC. Aikta will discuss the SBDC's role as regional manager for the national North Star Cybersecurity Program run by America's Small Business Development Centers. A national program assisting the development of small business cybersecurity programs across the national SBDC network. Dr. Shawn Murray will also share a presentation on the background and impacts of the Hafnium Microsoft Exchange Server exploits.

If you are attending virtually, we will have breakout rooms so you can network and socialize with other virtual attendees.

May's Cybersecurity First Friday will be held in-person and on-line using Zoom. The in-person event is capped at 50 people, so sign up early.
