

# CYBER MOUNTAIN COLORADO SPRINGS

PROTECTING AMERICA'S ACCESS TO SPACE

## **HYBRID** FIRST FRIDAY CYBERSECURITY SOCIAL & MIXER FOR JUNE!

### JOIN THE COLORADO SPRINGS CYBERSECURITY COMMUNITY FOR SOCIALIZING & NETWORKING

Connect with local cybersecurity professionals for a casual gathering the "First Friday" of every month beginning at 4 p.m. Join cyber peers to share information and learn about the growing cybersecurity ecosystem in Colorado Springs. No cost to attend.

This month we'll have special guest presenters discussing community partnership events involving Freedom 2 Play, a SoCo Select affiliated organization creating elite player pathways for Southern Colorado, and Drone Sports, LLC, organizers of a "Drone Soccer" educational program for students. Additionally, we'll have an update from New Horizons on their return to our community, and CyberSoftwareDistributors, LLC, on how they'll be meeting CMMC requirements for their clients locally and nationally.

If you are attending virtually, we will have breakout rooms so you can network and socialize with other virtual attendees.

June's Cybersecurity First Friday will be held in-person and on-line using Zoom. The in-person event is limited in space, so sign up early.
